MEMORANDUM FOR: Chief, SR Division

ATTENTION : ☐ Chief, SR/DOB, Room 5 E 4804

FROM : Deputy Director of Security  
(Investigations and Operational Support)

SUBJECT : ANNEFOT  
#283 604

1. Reference is made to your memorandum dated 29 October 1948, requesting that this Office render certain security support to the ANNEFOT Program. Reference is also made to subsequent communications between Security Officer/DOB and representatives of GSB/SS.

2. The Office of Security has expended considerable investigative efforts to locate ANNEFOT trainees in order to be able at all times to support current war plans. However, due to the number of trainees involved and the fact that they appear to have non-permanent residences and employments, it would be an imposing burden upon the Office of Security to constantly verify the trainees' locations. It is understood that SR/DOB is in written communication with ANNEFOT trainees at least once every three months.

3. In view of the above, the Office of Security will rely strongly upon timely information from SR/DOB relative to addresses and employments of the trainees. Information received from SR/DOB will be utilized to update the Office of Security ANNEFOT Alert and Pigeon Plan.

4. Inquiries concerning the contents of the memorandum may be referred to Mr. Robert V. Gaskins, Room 4 E 21, extension 5808.
